I. Statement of Relevant Facts

No fee is required at this time in view of the Declaration filed on February 3, 2006.

The present application was filed on June 9, 2005 as a National Stage application under 35 USC § 371 of International Application PCT/BR2003/000189. The application was filed without an executed Declaration/Power of Attorney signed by the inventors.

On June 20, 2005, Applicants' Representative received from the inventors the signed Declaration/Power of Attorney for filing in the application. This paper has been held by Applicants' Representative for filing after receipt of a Notice of DO/EO Missing Requirements in this application.

On January 6, 2006, as no communication had been received from the USPTO, Applicants' Representative checked the PAIR system to determine the status of the application and found an entry dated November 4, 2005 indicating that a Notice of DO/EO Missing Requirements had been mailed in this application. That Notice has never been received by Applicants' Representative.

On January 6, 2006, Applicants' Representative telephoned Mr. Jeremy Fleming at the PCT Help Desk to inquire what might be done to receive the missing Notice. Mr. Fleming was quite helpful, and indicated that he would try to obtain the file and send the missing Notice via facsimile to Applicants' Representative. That facsimile has not yet been brought to the attention of Applicants' Representative and in a subsequent telephone call to Mr. Fleming on January 25, 2006 he indicated that he had sent the paper. Applicants' Representative requested a second transmission and Mr. Fleming was again cooperative but indicated that the file was no longer in his area.

Applicants' Representative has run the docket for the date of January 4, 2006, the date upon which a reply to the Notice of DO/EO Missing Requirements would have been due. A copy of the docket is attached; serial numbers of the applications have been redacted, to protect client confidences. The docket number for this application is 4705-0111PUS1. As can be seen, there is no docket entry for this file for the date of January 4, 2006.

In their paper filed February 3, 2006, Applicants' Representative respectfully requested that the Notice of DO/EO Missing Requirements indicated as mailed on November 4, 2005 be re-mailed to the address for **Customer Number 2292** and that the date for response be re-set accordingly.

On March 10, 2006, Applicants' Representative received a copy of the Notices of DO/EO Missing Requirements, as originally mailed November 4, 2005, but the date for response was not reset.

II. Statement of Relief Requested

Applicants' Representative respectfully requests that the USPTO acknowledge entry of the papers filed February 3, 2006 into the application without charge for extension of time fees.

As evidence of Applicant's previous submission of a Declaration in connection with the present application, Applicant encloses a copy of the Declaration and Power of Attorney, filed February 3, 2006, and copies of the attachments filed with the Declaration and Power of Attorney with also a copy of a facsimile transaction report indicating receipt of the Declaration and attachments by the U.S.P.T.O.
